If data subject has submitted a request to the data controller related to exercising of his/her rights described in point 3, the data controller shall respond without delay and at the latest within one month of receipt of the request, and also shall inform data subject regarding the measures taken in case of his/her request. If it is necessary, this deadline can be extended by another two months.

If the controller does not take action on the request of the data subject, the controller shall inform the data subject without delay and at the latest within one month of receipt of the request of the reasons for not taking action and on the possibility of lodging a complaint with a supervisory authority and seeking a judicial remedy.

5. Filing a complaint

Data subject shall have the right to lodge a complaint with a supervisory authority:

Name	National Authority for Data Protection and Freedom of Information (NAIH)
Headquarters	9-11 Falk Miksa road, H-1055 Budapest

Postal address	Mailbox 9., H-1363 Budapest
Email	ugyfelszolgalat@naih.hu
Telephone	+36 (1) 391-1400
Fax	+36 (1) 391-1410
Website	http://naih.hu

6. Judicial remedy

Provisions for the judicial remedy are included in the Act CXII of 2011 on the Right of Informational Self- Determination and on Freedom of Information.

The data subject may apply to the court against the data controller in order to protect his/her data if he/she thinks that the data controller has violated the regulations of processing his/her personal data. The lawsuit may be initiated by data subject at the competent court based on his/her residence or temporary residence– according to his/her choice. During the lawsuit a person who does not have any legal capacity can be a party concerned as well. The data protection authority can intervene in the lawsuit in order to win the case for data subject.

Any person who has suffered material or non-material damage as a result of an infringement of this Regulation shall have the right to receive compensation from the controller or processor for the damage suffered. A controller or processor shall be exempt from liability if it proves that it is not in any way responsible for the event giving rise to the damage.

PRIVACY POLICY
